"At the beginning of the current tournament year, the IESGA instituted a policy whereby Members could only choose to play in twosomes and not 'friendly foursomes'. This policy has contributed to faster play and shorter rounds in every tournament played to date. However, your Board has heard some complaints about breaking up foursomes that have been established in some cases for many years. Your Board of Directors would like to have your opinion as to whether or not we should continue this policy in the coming years, even though they voted 2 to 1 to continue the 'twosomes policy'. To express your opinion, please access the IESGA webpage at www.iesga.com to complete a survey on 'twosomes vs. foursomes'. If you don't have internet access, please call Lee Spencer at 991-3063 to request a mail-in survey form. Please complete the survey by internet or mail by midnight, October 14, 2011."
